

Date/Time/Location	Workshop/Presenter(s)	Description
March 4, Saturday 8:30 am to 2:00 pm PCOE Nobili Room 365 Nevada Street Auburn, CA	Family Child Care at Its Best Learning through Relationships Part 1 of Two Part Series UC Davis Extension	This course addresses the emotional, social, intellectual, and physical development of infants and toddlers and the supportive role of the caregiver. Participants will gain an increased understanding of the role of relationships and emotional development in learning. Topics include: <ul style="list-style-type: none"> • Building trust with infants and toddlers • Understanding the temperament of children and adults • Helping children become confident learners • Talking with parents about developmental processes Light Lunch Provided
March 9, Thursday 6:30 pm to 8:30 pm PCOE Nobili Room 365 Nevada Street Auburn, CA	Wings in the Garden Tece Markel and Peggy Beltramo Placer County Master Gardeners	Come join us for an evening of fun and wonder as we learn what a habitat is and why we should care about it. You will receive ideas that can be used to create a simple habitat garden for your site. Learn who pollinators are, what they do, what they need to survive and how they can be attracted into the garden. Included will be activities suitable for preschool age children, information packets and links to more information on line.
March 13, Monday 6:30 pm to 8:30 pm PCOE Seavey Center 655 Menlo Drive Rocklin, CA	Early Learning Environment Center Based (ECER's) Mickey Eichenhofer Resource Teacher, PCOE ECE	The Early Childhood Environmental Rating Scale (ECERS) has been designed to give an overall picture of the quality of care provided for children in a center based setting. Learn how to use the tool as an environmental self-assessment and program quality indicator.
March 14, Tuesday 6:30 pm to 8:30 pm PCOE Seavey Center 655 Menlo Drive Rocklin, CA	Math & Science for Young Children Gail Salata, M.S. Elementary Kindergarten Teacher and Sierra College Instructor	Preschool Math & Science activities help preschool children get familiar with counting and patterns while giving young minds the skills they need to find answers and see things scientifically. Join Gail in a fun filled workshop with engaging activity ideas to spark a child's imagination and logical thinking.
March 18, Saturday 8:30 am to 2:00 pm PCOE Seavey Center 655 Menlo Drive Rocklin, CA	Family Child Care at Its Best Learning Through Relationships Part 2 of Two Part Series UC Davis Extension	This course addresses the emotional, social, intellectual, and physical development of infants and toddlers and the supportive role of the caregiver. Participants will gain an increased understanding of the role of relationships and emotional development in learning. Topics include: <ul style="list-style-type: none"> • Building trust with infants and toddlers • Understanding the temperament of children and adults • Helping children become confident learners • Talking with parents about developmental processes Light Lunch Provided
March 22, Wednesday 6:30 pm to 8:30 pm PCOE Seavey Center 655 Menlo Drive Rocklin, CA	Learning to Use Ages & Stages Questionnaire Assessment Tools Birth to 5 Michelle King, M.S., BCBA Behavior Specialist PCOE Early Childhood Education	This workshop will focus on the Ages and Stages Questionnaire (ASQ-3) and the Ages and Stages Questionnaire: Social Emotional (ASQ:SE2) screening tools. These tools can be used by parents, child care providers and teachers to help determine if a child's development is on schedule or help to identify appropriate social emotional competencies in young children. Early diagnosis and treatment of developmental delays can help give a child the best opportunity to reach his/her full potential.
March 25, Saturday 9:00 am to 12:00 pm PCOE Seavey Center 655 Menlo Drive Rocklin, CA	Strengthening Families by Building Protective Factors The Strategies Center at Youth for Change	Child care providers and others working with young children are encouraged to attend this half-day workshop in which participants will: <ul style="list-style-type: none"> • Learn about the Strengthening Families Framework. • Become familiar with foundational ideas of the Strengthening Families approach. • Be able to name and define the protective and promotive factors. • Have ideas and tools to use in their own lives and in their work settings with families and children. • Incorporate protective everyday actions and strategies into their work. Registration for This Event is FREE / You must pre-register and receive confirmation to attend!
